FOR THE PUBLIC FILE

I hereby certify that the children's programs listed below during the period April 1, 2007 through June 30, 2007 contained no more than the maximum amount of commercial time permitted under the Communications Act, as amended, 47 U.S.C. 303a, and 47 C.F.R. 73.670 specifically:

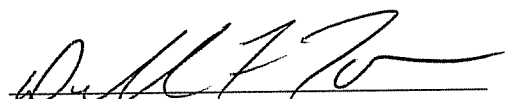

1. Each hour of weekend children's programming contained no more than ten and one-half minutes (10:30) of commercials.
2. When a half-hour children's program was not part of an hour's block of children's programming, the program contained no more than five minutes and fifteen seconds (5:15) of commercials.

Further, during the above period, WTVF did not exceed the station break time formatted for local affiliate commercials in CBS Television Network's children's programming as outlined in the CERTIFICATION OF COMPLIANCE WITH CHILDREN'S TELEVISION COMMERCIAL LIMITS supplied by CBS Television Network and contained herewith in the file which would cause any overage of commercial time permitted in children's programming, even when programs aired outside sequence provided by the network.
